CHILLED AUSTRALIAN WAGYU

Country/國家	Brand/牌子	Product Description/產品描述	Product Photo/產品圖片	Packing /包裝
 Chilled Australian Wagyu Beef 澳洲冰鮮和牛 <i>Jack's Creek is the premium Australian Wagyu brand. One of the first in Australia to breed, grow and process Wagyu beef. Raised on the plains of Northern New South Wales and South East Queensland, in a natural clean environment with an abundance of lush natural grasses. The cattle are then grain fed for 400-500 days on a special diet of natural gains to give the highly marbled characteristics of Wagyu beef. Produced under strict guidelines of AQIS standards and certifications, underpins the beef's quality and safety to the end consumer.</i> Key Product Features: Wagyu, MBS 3-9+, 400-500 days Grain Fed, No added hormones, Free from Antibiotics, Halal accredited, EU accredited. The WINNER of 'The World Steak Challenge' 2015 ~ 2025.
