1990年代，點線麵正式創立，一間小小的家庭式製麵廠，從零到有、不斷地去嘗試。點線麵始終堅持「品質、服務、信譽、安全、衛生、美味」的製麵原則，讓消費者可以食在安心。

從麵粉到製作麵條、再到出貨的冷凍運輸鏈，都依照標準作業程序進行，為顧客層層把關。

In the 1990s, PLN was officially founded as a small family-run noodle factory, starting from scratch and continuously experimenting. PLN has always adhered to the noodle-making principles of "Quality, Service, Reputation, Safety, Hygiene, and Deliciousness", allowing consumers to eat with peace of mind.

PLN standardized every quality aspect, from flour selection to noodle production, and finally to temperature-controlled delivery chain, all operations are carried out in accordance with Standard Operating Procedures to provide customers with quality assurance.
